N O T I C E.

Intimation has been received that since the removal of restrictions on persons proceeding on pilgrimage to the Holy Cities in Mesopotamia or in connection with the transport of corpses for burial in that country, a number of pilgrims have gone to Bombay from up country en route to Mesopotamia without certificates of identity from the authorities at their native places. As they are not known to the Police in Bombay xxxx enquiries have to be made from the authorities concerned whether there is any objection to grant them the necessary certificates. This procedure causes unavoidable delay and hardship to them and in some cases they spend all their surplus funds and are unable to proceed. In order to avoid delay and hardship intending pilgrims are requested to note the instructions on the subject which are contained in the passport notice No.7314, dated the 22nd September 1919, issued from this Residency.

Mysore Resident's Office, (Sd) C. T. L. Flowden,
